# Certificate IV in Bowen Therapy

## 11273NAT

---

Australia's *only* nationally recognised qualifications in Bowen Therapy.

Bowen Training Australia is the only Registered Training Organisation authorised to teach Bowtech, the original Bowen Technique.

We have been training Bowen Therapists since 2010 and remain the leading provider of Bowen Therapy education.

**[bowentraining.com.au](http://bowentraining.com.au)**

**BOWTECH®**  
The Original Bowen Technique

# What is Bowen Therapy?

Bowen Therapy is a gentle, non-invasive, soft-tissue remedial therapy developed in Australia by Thomas Ambrose Bowen (1916 – 1982).

Using precise, rolling movements over muscles, fascia, ligaments, tendons, and nerves, Bowen Therapy supports the body's natural ability to reset, repair, and restore balance.

Safe and suitable for people of all ages and in all kinds of health, Bowen Therapy aims to address the underlying causes of discomfort rather than symptoms alone.

## 5 reasons you're ready to learn Bowen Therapy

1. You've experienced Bowen Therapy first-hand and loved its benefits.
2. You're passionate about health and helping others thrive.
3. You want a career where you can make a real difference in peoples' lives.
4. You're seeking flexibility and balance in your working life.
5. You're ready to study part-time with online learning + weekend classes.

## We offer

- Small classes for personalised support
- Hands-on tuition with expert trainers for all practical units
- Online learning for theory and assessment tasks
- Clear pathways to [Diploma](#) and [continuing education](#)
- Opportunities to become a BTA Trainer and Assessor

## Payment options

You purchase each theory and practical component as you progress, spreading the total cost over 12–18 months.

To stay on track:

- Both theory and practical components for each module should be completed together.
- Delays in theory submission may prevent attendance at the next practical module.

Your Welcome Letter includes personalised purchase links for all components.

## Study time

Allow up to 10 hours per week for theory, logbooks, and case studies.

## Flexible study options

- Online learning you can complete at home
- Face-to-face practical modules in small groups with expert trainers
- Part-time delivery over 12-18 months
- Courses run continuously in many locations across Australia

Visit [bowentraining.com.au](http://bowentraining.com.au) to find a class near you.

## Entry requirements

- Aged 18 years or over
- No prior bodywork experience needed
- Internet access for online learning
- A device with Microsoft Suite -- Word (2013 or later), PowerPoint and Excel

## HOW TO APPLY?

# Course Information

## Course recognition

- **Nationally recognised qualification**

The Certificate IV in Bowen Therapy 11273NAT is nationally recognised by the **Australian Skills Quality Authority (ASQA)**, the regulatory body for Australia's vocational education and training sector.

- **Free student memberships**

Enrolled students enjoy free student membership with both [Australian Traditional Medicine Society \(ATMS\)](#) and [Bowen Association Australia \(BAA\)](#).

- **Post-graduation pathways**

Graduates may upgrade to ATMS Accredited Member status for \$100 in their first year after graduation and are eligible for Full Membership with **Bowen Association Australia**.

## Career opportunities

Graduates can work in:

- Private practice
- Allied health and natural therapy clinics
- Spa and wellness centres
- Corporate wellness programs
- Sports, personal training, rehabilitation, and performance settings

Bowen Therapy complements many professions including Physiotherapy, massage, occupational therapy, yoga, PT, nursing, midwifery, naturopathy, and other complementary medicine disciplines.

Special interest areas include:

- Chronic pain
- Pre/post-natal care
- Babies and children
- Elderly care
- Sports & personal training
- Stress and trauma support
- Rehabilitation
- Body-mind integration

A clear pathway is also available to become a Bowen Training Australia Trainer and Assessor.

## Study Breakdown

### Practical Modules – Enterprise Units

Learn the mechanics of Bowen Therapy hands-on with your expert trainer in 7 modules, delivered in either 2- or 4-day classes.

**Module 1** introduces the Bowen move, relaxation procedures, and core principles of Bowen Therapy.

**Modules 2 to 7** progressively build your skills through a structured range of Bowen procedures, supporting a wide variety of client presentations.

### Online Learning – Training Package Units

Complete 13 online theory assessments, along with logbooks and case studies between face-to-face modules.

Online learning begins one month before Module 1 or Module 1 and 2 combined.

## HOW TO APPLY?

Visit [bowentraining.com.au](http://bowentraining.com.au) to find a **Module 1** or **Module 1 & 2 combined** class near you. Click Register Now.

# Course Information

## Study requirements and timeframes

Practical modules and theory must be completed concurrently, as detailed in your Training Plan provided at enrolment.

Some assessments such as *Work Within a Bowen Therapy Framework* and *Anatomy Workbooks 4, 5, & 6* require practical class experience.

Students are required to engage with both theory and practical components of the course. Required assessments must be submitted before progressing to the next practical module. Students may progress at a faster pace where appropriate.

The Certificate IV must be completed within 18 months.

Practical modules usually take 12 months, with logbooks/case studies sometimes extending slightly longer.

Minimum class numbers apply.

### Testimonial

"Studying Bowen has enabled me to leave what has been my career for the last 25 years and start a new path that mirrors how I feel about life, health and healing. I look forward to continuing to be inspired by how Bowen has changed people's quality of life."

**Brent Manuel**  
Graduate

## Required Textbooks

- Essentials of Human Anatomy & Physiology  
Author: Elaine N. Marieb
- The Muscular System Manual: The Skeletal Muscles of the Human Body  
Author: Joseph E. Muscolino

# Course Information

## Recognition of Prior Learning (RPL) and Credit Transfer (CT)

If you hold qualifications with matching units of competency (see p4), you may be eligible for Credit Transfer.

Relevant study, work experience, or life experience may be assessed for Recognition of Prior Learning through a portfolio of evidence.

For more information on CT or RPL, please visit this page of our website:

<https://bowentraining.com.au/bta-courses/recognition-of-prior-learning/>

## Continuing Education

After completing your Certificate IV, you can pathway into the [Diploma of Specialised Bowen Therapy 11274NAT](#) to deepen your skills with advanced procedures, assessments, pathologies, and rehabilitation principles.

We also offer [continuing education workshops](#) and [practitioner revision days](#). While not part of the nationally recognised training, most are Bowtech-accredited, and all are eligible for Continuing Education points with Bowen Association Australia and Australian Traditional Medicine Society.

## Earning potential

Bowen Therapy offers a flexible income with the ability to see multiple clients due to natural pauses between Bowen moves.

Income outcomes vary and depend on individual factors including location, client demand, hours worked, and business setup. The examples below are estimates only and are not a guarantee of earnings.

Session – \$90 per client	Weekly income (after 30% expenses)	Work hours	Annual income (48 weeks)
10 clients per week	\$630	1.5 days	\$30,240
20 clients per week	\$1,260	2.5 days	\$60,480
40 clients per week	\$2,520	5 days	\$120,960
